

MWOOPY/MM

Doug sets sail on board the Jekeeda II this week (May 5th), leaving the UK coast on about 15/16th May, heading for The Azores. He will be listening most evenings (1830-2000 GMT) on 14300-14303 KHz.

FROM NEXT TUESDAY, 10th MAY, the NARS 2M Net at 8pm local (1900 GMT) will be taking place near 14303 KHz, in parallel with 145.425. Please check in and work or listen for Doug over the next few weeks.

Bon Voyage Doug !
